Instructions:

- Cut and Score your paper
- Attach the 4" x 5-1/4" DSP to the large Sweet Sorbet with liquid glue.
- Punch out 2-3/8" circles from Basic White, Sweet Sorbet and DSP.
- Stamp the bee body with Tuxedo Black onto the scrap piece of Daffodil Delight.
- Stamp 2 wings onto the scrap piece of Vellum also with Tuxedo Black.
- Punch out the Bee with the Bee Builder Punch and stamp the face onto the bee with Tuxedo Black.
- Punch the wings out also with the Bee Builder Punch.
- Attach the wings to the backside of the bee with liquid glue and set aside.
- Attach the White circle to the Sweet Sorbet circle with liquid glue leaving just a thumbnail of the white showing.
- Punch a 2" circle out of the DSP, try to get a full Bee in the middle.
- Attach the 2" DSP to the center of the Sweet Sorbet circle with liquid glue.
- Fold the 4-1/4" Daffodil Delight on the score line (3-1/4").
- Stamp several Honeycombs around the front of the Daffodil Delight with Daffodil Delight Ink.
- Attach the 1" DSP to the bottom of the Daffodil Delight with liquid glue. Leave about 1/8" border on the bottom.
- Stamp your sentiment in Tuxedo Black just above the DSP.
- Stamp your sentiment in the center of the 3-1/8" Basic White with Sweet Sorbet.
- Stamp the "Flight" lines in 2 corners with Daffodil Delight.
- Attach the Basic White to the inside of the Daffodil Delight with liquid glue.
- Attach the entire Daffodil Delight to the 3-3/8" Sweet Sorbet with liquid glue.
- Attach the Daffodil Delight to the bottom right corner of the 4-1/2" Sweet Sorbet. Use liquid glue but only glue the bottom 1" and just a little line of glue on the right side. Leave the Left Side and Top free.

Now lets create the bookmark for the finale on the card. I have some photos for this as its a little easier to understand with visuals and I am definitely a visual person!

- Attach the Bee to center of the 2-3/8" DSP circle with liquid glue.
- Attach the circle onto the triangle of the bookmark.
- Slip the bookmark over the corner of the card where there is no glue. This also doubles as a way to hold the card closed.
- ENJOY!
